In your reply, please quote  
above initials.

Washington, June 9<sup>th</sup>, 1885.

Sir:-

I am in receipt of your letter of the 6<sup>th</sup> instant, in reference to the best method of cleaning the fractional silver coin in an inexpensive and safe manner.

I beg to say that it would cost too much to forward the coin to the mint for the purpose as suggested by you; and that it is desirable to obtain some apparatus which can be used at the various sub-treasuries.

I will thank you to furnish me with a description and a sketch of the riddle used for the purpose in your office.

Mr. A. Loudon Snowden,  
Superintendent Mint U.S.,

Very respectfully,

Wm. A. R. Taylor  
Treasurer, U.S.
